Exercise 1: Hoàn thành flow chart dưới đây với không quá 2 TỪ cho mỗi câu trả lời

Patrick Malone is a traveller, writer, and broadcaster. He was born in 1968 in Basel, Switzerland, where his British parents were working for a pharmaceutical company. His family left Switzerland when he was twelve, and returned to their home in Britain. For the next six years, Malone attended the local secondary school. He then went to Leeds University to do a course in Human Geography. He wanted to become a town planner. However, the only work he could find was as a teacher at a local school.
